Leadlight Products (NZ) Ltd

Special Edition

December 2006

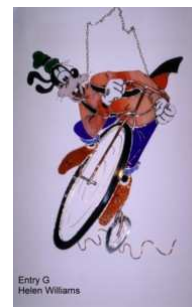

We had so many things to tell you that we decided to bring out a Special Edition especially for the month of December.

Both branches have heaps going on over the next month so drop by and check out the in store specials!

Glass Art Competition 2006!!

Congratulations to Helen Williams for her fantastic Goofy Suncatcher. She was the overall winner of the 2006 Glass art competition. Again thanks to everyone for their outstanding entries, and to everyone for taking the time to vote for your favorites.

What are we missing???

Contact the Hamilton Branch if there is a product that you want but we don't have! We want to supply you with the best range, but we need to know what you want!

Email: info@leadlight.co.nz,

Phone: 07 8479213 or Fax: 07 8467020

December Special!!

Laminated Patterns 50c only for December.

Stock up for the Christmas Holidays!!

The Gift of Glass

Gift vouchers are available from both our stores for retail items and for class. So for those hard to buy for family members how about a class to get them started in glass, or a voucher to spend on some glass art from our stores.

Wishing everyone a Merry Christmas and a Happy New Year. From the Team at Leadlight Products

Christmas books 25% off for December

- Holiday Magic in Glass
 - The Magic of Snowflakes
 - Crystal Christmas
 - Christmas Tree Favorites
- That makes them \$29.90 each
What a special!!!

Christmas Closing!!
Once again Leadlight Products Hamilton and Glassworks Palmerston North will be closed from 4pm Friday 22nd December 2006 until the 8.30am the 8th of January 2007. Don't forget to have your Christmas purchases in early to avoid the rush.

Bakers Dozen

Buy any 12 hobby squares and get one **free**.

Only until the end of January 2007!!

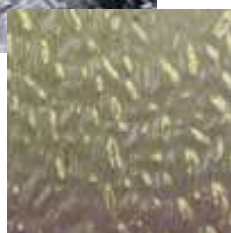

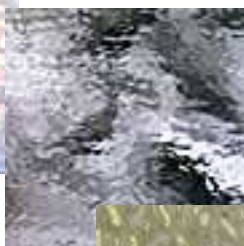

Hot Glass Selection Sizzling!!

We have bought in a supply of new Hot Glass Products including **Fritz, Stringers, Dichroic Gitz** and **shelf primer**. This is to compliment our great range of **System 96 Hot Glass**. Get in Quick because it's flying out the door!!

Exciting New Glass from USA!!

We have had our latest shipment arrive and on it some fantastic new glasses to add to the range. In our Spectrum Opal and Wispy glass there are three new greens and a bronze wispy. The greens add a great mix to the colors available for shrubbery, hills and plants. We have two new water glasses, in a bronze and a dark amber to add to any leadlighting creation. There are also three new colors in the Wissmach English muffle range, an aubergine, emerald green and a gold. All of our new glasses are very popular so come in and see them or add them to your next order.

January Specials!!

20% off these Hobby Sheets January only
Thin Reeded clear... you pay \$12.20
31cc Yellow Corella Classic you pay...\$15.20
