Issue 19, October \ November \ December 2006 \ January 2007

Glass Art Competition 2006!!

Let the Voting Begin...

The judges results have been tallied and you can see to the right the winners and highly commended hobbyists. The competition was very close with just a few points between many of the entries. We were very impressed with the quality of all of the projects entered.

The voting is now beginning, either check out the entries on the website or come into the store to place a vote. Voting Closes on the 31st of October so get in and have your say!!!

What's Happening in Hamilton...

Well I can't believe it's almost the end of the year already, and the last Get Cracking of the year!!!

I have been blown away by the Glass Art Competition this year, it's fantastic to see such an amazing array of talent.

Christmas is coming fast and I can't wait, some of you will know how I love Christmas!! No I really do. I've even started shopping already.

We've planned some Christmas suncatcher courses with some great patterns to really light up that tree or the window, front door.... You can decide. They are great for Christmas prezzies too.

If your wanting to get something glass for Christmas send in your loved ones and we can help them choose the perfect gift to help you along the crafting road. There's heaps of new books and glass coming. If you want to choose something yourself a gift voucher might be just the ticket to get what you want. We have them too!!!

Come in and catch up with us!!

See you soon, *Julie*

Congratulations To....

"Students Inspire – In Palmerston"

Greetings to the faithful,

As I always seem to be saying..... time sure flies.

Already the art competition is over for another year with the judges picking the outstanding winners for each category. Superb quality with a lot of time and effort involved – well done to all that entered.

Obviously we are as proud as punch to have winners from Glassworks – what a fabulous effort, congratulations to each and every one of you.

Sandy's mosaic direct class has finished for the term, another successful class, with all the ladies 'catching the bug' and making lovely projects. Well done to you all.

Sandy has two 5 week Monday morning mixed mosaic, leadlight & copperfoil classes set down for Term 4 – so book early to avoid disappointment – this is a very productive & popular hobby course.

Keep on leadlighting continues to be a very 'booked out' course with my entire class making outstanding projects making my job even more fabulous!

Be sure to come in and vote for the overall winner of the art competition...

Look forward to seeing you all....

Kindest regards from the
Glassworks girls,
Michelle, Tina & Sandy
